

Dear Member:

I am writing to thank you for your past support of the Swarthmore Horticultural Society and to ask for your continued support in 2014.

This year the SHS celebrates its 13th year of service to our community. Our all- volunteer organization designs, plants, and cares for many of the public gardens of Swarthmore, including those at the Co-op, Post Office, Centennial Park, Clock Tower, and War Memorial, as well as the large flower pots in the business district and several of the flower beds at Borough Hall. Like public radio, we offer a service that everyone can enjoy for free, but we can only continue our work if the public offers its financial support. To learn more about our work and our achievements, visit www.swarthmorehorticulturalsociety.org.

Clearly your investment makes our town more enjoyable and inviting to citizens, shoppers, and potential residents. Join us again to make Swarthmore bloom!

Sincerely,

Andrew Bunting, President
